Charlotte Department of Transportation / General Services

Locating Services for the Charlotte Department of Transportation (CDOT)

This contract will be for fiber optic cable physical locating, marking, and positive responses to NC811 of CDOT's underground infrastructure as required by the Underground Utility Safety and Damage Prevention Act, Article 8A of Chapter 87 of the North Carolina General Statutes. Work provided under this contract is to supplement CDOT's current in-house locates unit and will cover the city of Charlotte limits.
