Aviation / General Services

Terrazzo Repair and Installation Services

Charlotte Douglas International Airport (CLT) is looking for a firm to provide terrazzo repair services to create and maintain an appearance of a “world class facility” by providing a functional and safe experience for 58 million plus annual passengers. CLT has approximately 700,000 square feet of terrazzo flooring throughout the main passenger terminal and other property buildings. Repairs may include but are not limited to; cracking, spalling, delamination, holes/voids, damaged cove base and dividers strips.
