Airport Financial, Business & Revenue, and Passenger Facility Charges Consulting Services

The Charlotte Douglas International Airport is seeking proposals from experienced, qualified Service Providers in a variety of Financial Consulting, Business, and Revenue Services to provide ongoing support and guidance of the Airport's daily financial operations and activities. Specific areas addressed within the Scope of Services for this RFP include the following: • Airport Financial Consulting Services; • Airport Business and Revenue Consulting Services; and • Airport Passenger Facility Charges Services. Service Providers are encouraged to submit proposals for any or all of the above Services. The City may elect to award some or all of the Services to one or more Service Providers. While the City is flexible with respect to certain elements of its proposed relationship with the Airport Financial, Business & Passenger Facility Charges Consulting Services Service Provider(s), the City has certain preferences for that relationship and has developed the following proposed model for that relationship.
