Airport On-Call Architectural Consultant Services

Charlotte Douglas International Airport (CLT) is seeking statements of qualifications from professional architecture, architectural engineering, and design-focused firms to provide task order architecture and design concept services. Services are expected to cover a range of smaller studies, conceptual designs, investigations, coordination processes, and technical support of a limited nature. Many of the anticipated tasks will be themed toward facilitating decision-making and implementation of projects in Charlotte's *Destination CLT* Capital Improvement Program (CIP) that are or will be designed and constructed under other contracts. The Task Order assignments are intended as extension-of-staff efforts and expertise for the effective delivery of *Destination CLT* projects and other projects or issues to come before the Development Department.
