Archdale Station Spalling Concrete Repair- Blue Line

The Charlotte Area Transit System (CATS) Development division anticipates contracting out repairs to spalling on the east face of the pedestrian platform at Archdale Station. Repairs will involve cutting and removing damaged concrete sections using wall sawing and core drilling methods. Carolina Cutting and Coring, the contractor for this work, will perform preparatory drilling, concrete removal, and site cleanup to restore the platform's integrity. PSR # 1940
