Charlotte Department of Transportation / Construction

Arrowood Road Intelligent Transportation System (ITS)

This project will install single-mode fiber optic cable installed in new directionally bored, hand-dug, and trenched conduit, existing conduit, and aerial attachments to poles. This project includes entrances and interconnect equipment for existing traffic signal control cabinets and the installation of traffic management cameras. This project also includes fiber optic cable splicing, testing, Ethernet communications equipment, traffic management camera equipment, and other related activities.
