

Charlotte Department of Transportation / Commodities & Goods

Blank Out Signs and Traffic Components

The City of Charlotte maintains a large and modern traffic signal system and has for many years used standardized materials and equipment. This system is complex and requires dedicated maintenance and oversight management to ensure that it functions as necessary. This solicitation is being issued to establish contracts for the purchase of Blank Out Signs, Traffic Loop Sealant and Pedestrian Signal Housings. All materials and equipment used to maintain this system are required to be interchangeable and function with the existing infrastructure.
