BOD shop equipment, tooling purchases and repairs

This is a request for a five-year goods and services contract for shop equipment, tools, and repairs. Bus Operations Maintenance Department is responsible for the maintenance of the City Bus and Special Transportation Fleets. BOD Maintenance Department will be afforded the convenience of purchasing necessary shop equipment, tooling and equipment repairs as needed by having competitively sourced contracts in place for ongoing needs for maintenance and repairs. Any ensuing contract will provide equipment, tooling and equipment repairs including, but not limited to, Medium/Heavy Duty truck specialty diagnostic and repair tools, Medium/Heavy Duty hydraulic jacking and stationary jack stands, Medium/Heavy Duty truck AC equipment and supplies, shop safety supplies and any repairs, repair parts and any accessories and related components necessary for new, retrofit or rebuild requirements. PSR # 1656
