Brooklain-Coulwood Storm Drainage Improvement Project

The Brooklain-Coulwood Storm Drainage Improvement Project is bordered by Cathey Road to the east, Brooklain Drive to the south, Waycross Drive to the west, and Coulwood Drive to the north. This construction project involves addressing flooding concerns and structurally deficient City pipe system at a total of 4 culverts. An analysis of existing conditions was performed to determine portions of the storm drainage system needing improvement as well as planning analysis of improvement alternatives. Design phase efforts will be performed as well as construction of needed improvements.

Details
