Charlotte Area Transit System / Commodities & Goods

Bus TPMS System

The Charlotte Area Transit System (CATS) Bus Operations Division (BOD) anticipates contracting out the purchase of a Tire Pressure Monitoring System (TPMS) for its fixed route and paratransit system. The TPMS shall be easy to use and provide accurate data. CATS has over 1,900 tires in its fleet. The contractor would be responsible for the execution of the project including, but not limited to, installation and training. PSR # 1992
