Bus Transaxle Reconditioning Services

The Company shall supply quality, trained professionals to properly diagnose, test, disassemble, clean, and/or replace OE parts as needed and reassemble. The Company is required to use genuine Meritor parts and employees certified to rebuild the differential. To help reduce turn-around time, the Company shall keep one differential (per part number) on hand. The Company will be required to return the reconditioned item or items to our facilities within twenty-four (24) hours of pick up. PSR-754
