Bus Transaxle Reconditioning Services

The Company shall supply quality, trained professionals to properly diagnose, test, disassemble, clean, and/or replace OE parts as needed and reassemble. The Company is required to use genuine Meritor parts and employees certified to rebuild the differential. To help reduce turnaround time, the Company shall keep one differential (per part number) on hand. The Company will be required to return the reconditioned item or items to our facilities within twenty-four (24) hours of pick up. PSR-754
