

Charlotte Area Transit System / General Services

## **Camera & Access Control Maintenance**

The Charlotte Area Transit System (CATS) Safety and Security division anticipates contracting for comprehensive maintenance covering the following systems:

- CATS Access Control System (Genetec)
- Camera/Video System (QVMS)
- Genetec Camera/Video System

The goal of this RFP is to secure a single vendor capable of providing comprehensive maintenance and support services for the Access Control and Camera Systems under one unified agreement. The camera system comprises equipment from multiple manufacturers, including Pelco, Panasonic, and Axis. The selected vendor must demonstrate the capability to support all components of the system, regardless of manufacturer. The vendor will be responsible for ensuring reliable performance, timely troubleshooting, preventive maintenance, and technical support for both the Access Control and Camera Systems. This includes the repair or replacement of camera hardware as needed to maintain full system functionality. PSR # 1988
