Charlotte Department of Transportation / Commodities & Goods

Catch Basins, Grates, Frames, and Hoods

The city installs and maintains road drainage structures within the right-of-way to prevent flooding and water ponding on streets. Catch basins, grates, frames, and hoods are necessary to collect runoff from the roadway and direct it to the stormwater collection systems. The scope of this contract would be for the furnishing and delivery of catch basins, grates, frames & hoods used by the Charlotte Department of Transportation, Street Maintenance Division.
