

Charlotte Area Transit System / General Services

CATS Facilities Unit Paving and Repair

Charlotte Area Transit System (CATS) is looking to contract out unit paving and repair services focusing on the following:

- 1. Clay brick pavers along sidewalks within public right of ways
- 2. Precast concrete pavers at Light Rail Station as shown on the plans, as well as at CATS Bus Stops and Facilities
- 3. Precast truncated dome pavers at all accessible ramp areas as indicated by CATS Management.
- 4. Replacement units where needed and as indicated by CATS Management

PSR # 1782
