CATS Facilities Unit Paving and Repair

Charlotte Area Transit System (CATS) is looking to contract out unit paving and repair services focusing on the following:

1. Clay brick pavers along sidewalks within public right of ways
2. Precast concrete pavers at Light Rail Station as shown on the plans, as well as at CATS Bus Stops and Facilities
3. Precast truncated dome pavers at all accessible ramp areas as indicated by CATS Management.
4. Replacement units where needed and as indicated by CATS Management

PSR # 1782
