CCPA Radios and Communication Equipment

The City of Charlotte manages an estimated 12,000 radios for departments across the city. The City is flexible with respect to certain elements of its proposed relationship with the Radios and Communication Equipment Services Provider. The scope of this Request for Proposal (RFP) will be to establish a contract for the purchases and services of Radios and Communication Supplies in compliance with the specifications and terms and conditions outlined. This contract will be a Charlotte Cooperative Purchasing Alliance (CCPA) contract.
