Charlotte Water / General Services

Charlotte Water Traffic Control Services

Charlotte Water will be requesting proposals from experienced and qualified companies to provide scheduled traffic control services, as a result of planned/scheduled water and sanitary sewer construction performed by Charlotte Water and in the event of an unplanned/unscheduled immediate emergency within the area, such as a water main break or an emergency resulting from a natural disaster. Maintenance of water and sanitary sewer infrastructure requires safely guiding traffic through active work zones, lane closures, and other situations while protecting Charlotte Water staff, residents, and equipment during the work activity or closure. This includes the placement and removal of traffic control devices by qualified personnel, as well as flagging of traffic. Services shall include the provision of all materials, equipment, and labor necessary to safely route traffic through Charlotte Water work zones or event areas. Companies will be required, at the minimum, to perform the following:

- Work area traffic control setup
- Job site flagging
- Lane closures
- Road closures
- Detour setup and removal
- Vehicle, bicycle, and pedestrian detours

Companies must have the ability to provide traffic control services on an as needed basis, 24/7/365, within the limits of Mecklenburg County.

Details

Posting Number	2025-Q4(Oct-Dec)-CW-19033
Anticipated Posting Date	2025-12-08
Commodity Code(s):	55000, 55010, 55017, 55022, 55078, 55079, 55082, 55090, 68096, 80196, 91894, 93685, 95890, 96877, 96880, 96881, 96884, 98176
