Charlotte Water / General Services

Charlotte Water Tree Removal Services

The City will be requesting proposals from experienced and qualified companies to provide various tree and vegetation removal services for Charlotte Water, as a result of water and sanitary sewer construction performed by Charlotte Water, as an after-hour/holiday/weekend emergency service, and in the event of an immediate disaster emergency within the area, such as a natural disaster. The City shall indicate and designate all trees, shrubs, plants, and other objects that are to remain or be removed. Any damage to natural terrain, vegetation, or objects designated to remain shall be immediately repaired or replaced as determined by the City, at the company's expense. The company will be required, at the minimum, to perform the following:

- Rake work area and match existing grade to a smooth even surface
- Removal of trees/shrubs and haul from job site
- Grinding of remaining tree stumps
- Sweep up any excess debris and haul from job site
