

#### Aviation / Construction

# **CLT Center Roadway Improvements**

This project will construct a new exit lane leaving CLT Express Deck-Self Park, enhance signage along CLT Center Drive, and implement enhanced safety measures along this road. Work involved with this is project is a new asphalt roadway connection, additional wayfinding signage and pavement markings, and high visibility crosswalks with flashing beacons. Anticipated construction duration is 9 months. Project constraints will include some but not all night work depending on the work area.
