CLT Medic Space Upfit

An existing space within Charlotte Douglas International Airport, located just off the connector on the Ticketing Level between Concourse A and Concourse A Phase 1, is being renovated to support a new MEDIC Breakroom. The space to be renovated has a combination of rubber tile floor/terrazzo, painted drywall, roll-up door, and acoustical tile ceilings. The new space will have kitchenette millwork with a sink, storeroom with shelving, new porcelain tile ADA restroom with sink, toilet, shower and associated plumbing, electrical and data outlets, new lighting, new water heater and new ductwork. The majority of the work will be performed on Ticketing Level within Security Identification Display Area (SIDA). Some plumbing and data work will be performed from Ramp Level within SIDA adjacent and above a baggage handling system makeup carousel.
