

Department of General Services / Construction

CMPD Animal Care and Control Phase 3 Expansion

The purpose of the CMPD Animal Care and Control, Phase 3 Expansion project is primarily to provide additional kennels for dogs and reduce the increasing rate of euthanasia. Secondly, to provide additional space for other animals and improve the e?ciencies of operations for the facility. The expansion of the facility will possibly be located at 2700 Toomey Avenue and the parcel is currently 4.67 acres. This is the old location for the Animal Humane Society. We are currently in the advanced planning phase to acquire a schematic design to confirm the estimated construction cost. The Construction delivery system will be Progressive Design Build. It is also anticipated that the city will acquire an Owner's Advisor to assist with procurement and additional services during design and construction.
