Charlotte Mecklenburg Police Department / General Services

CMPD On Duty Scheduling Software

The purpose of this Request for Proposal (RFP) is to solicit proposals from qualified vendors to provide an On-Duty Scheduling Software System for the Charlotte-Mecklenburg Police Department. The system will be used to schedule, manage, and track law enforcement officers' shifts, ensuring optimal staffing, and compliance with operational needs. The software will be user-friendly, secure, and scalable, with features that streamline scheduling processes and improve overall efficiency in workforce management.

Details
