Coffey Creek Environmental Mitigation (2nd Re-Solicitation)

The purpose of the Coffey Creek Environmental Mitigation bid is to establish a lump sum contract with a qualified contractor to construct the features and components of the Corrective Action Plan that has been designed by WSP, (as Wood Environment & Infrastructure Solutions, Inc.) (the “CAP Design”) for the former U.S. Airways Maintenance Hangar site located at 5020 Hangar Road in Charlotte, Mecklenburg County, North Carolina on behalf of Charlotte Douglas International Airport (CLT). The CAP Design (dated October 20, 2022) was submitted to the North Carolina Department of Environmental Quality (NCDEQ) for review. NCDEQ issued a Notice of Regulatory Requirements (NORR) letter (dated November 30, 2022) indicating approval of the Corrective Action Plan (CAP).
