Charlotte Storm Water Services / Construction

Collective AC Storm Drainage Improvement Program

Collective Storm Drainage Improvement Projects Series AC will involve 3 projects throughout the City of Charlotte, 1925 Arnold Drive, 10112 Fairway Ridge, and 1127 Willhaven Drive. 1925 Arnold Drive will involve new drainage structures and reinforced concrete pipe, a modified pipe alignment, new curb and gutter, concrete driveway replacement, sanitary sewer replacement as well as full depth asphalt replacement along Arnold Drive. 10112 Fairway Ridge will involve new drainage structures and elliptical reinforced concrete pipe, a modified pipe alignment, sanitary sewer replacement, concrete driveway and full depth asphalt replacement along Fairway Ridge. 1127 Willhaven Drive will consist of reinforced concrete pipe and drainage structure installation, ditch grading, full-depth asphalt replacement as well as curb and gutter replacement along Willhaven Drive. There will be 2 culvert replacements not located along Willhaven Drive, 1 will be a driveway culvert located at 5328 Randolph Road and the other will be crossing under Crestbrook Drive. Both culverts will consist of reinforced concrete pipe, drainage structures, asphalt replacement, and channel grading. The culvert under Crestbrook Drive will also require curb and gutter as well as sidewalk replacement.
