Concourse A Expansion Phase II Commissioning Services

Charlotte Douglas International Airport is seeking statement of qualifications ("SOQ") from qualified and experienced firms (individually or collectively, the "Firm") interested in providing Commissioning Professional Services for the Concourse A Expansion Phase 2.

- Commissioning must be completed to ensure that all building systems are installed and perform interactively according to the Owner's program and their program requirements
- Verification that applicable equipment and systems are installed according to the manufacturer's recommendations and to industry accepted minimum standards and that each receives adequate operational checkout by installing Contractors.
- Verification that O&M documentation that is required of the Contractor is complete.
