Convert Vanpool operations to turn-key contractor

This Request for Proposal (RFP) will convert CATS vanpool program to a turn-key operational contract. The CATS vanpool program is a resource for businesses and community groups to access ridesharing services through CATS and is a cost-effective public transit option. Commuters travel together in high-capacity vehicles between their homes or a designated location to a common work destination. The goal of the vanpool program is to reduce traffic congestion, improve air quality, and provide a cost-effective travel alternative for commuters. PSR # 1532
