Charlotte Area Transit System / Architectural / Engineering Services

CTC Redevelopment - Design Reimbursement - CANCELLED

The Charlotte Area Transit System (CATS) Charlotte Transportation Center (CTC) Redevelopment Project will construct a mixed-use development through a public-private partnership. White Point previously purchased a 1.2-acre, half city block directly across the street from the CTC. This 1.2-acre property will be used to construct a temporary facility while the new structure is built at the existing location. The project will be achieved through a White Point partnership with CATS, coordination with City of Charlotte departments and stakeholders as well as communication with nearby property owners.
