Cummins Engine Repair Service

CATS BOD (Bus Operations Department) is seeking an authorized vendor that can provide vehicle repair services for Cummins engines. The vendor must guarantee workmanship and honor warranty of the components replaced. The repair services of the Cummins engines shall include but not be limited to; diagnostics, routine repairs, and replacement of all mechanical engine components and accessories, all sensors on the engine or vehicle that could cause an engine fault code, and any wiring and harnesses that could cause an engine fault code. The contract will include the selling CATS the licenses of Cummins Insite (Pro and Basic) annually. In addition the contract will include selling CATS a subscription to Cummins QuickServe Online. This will allow the addition of new employees to the CATS subscription and have their own service training IDs. PSR 1078
