Charlotte Water / Technology Goods & Services

Customer Self Service Solution: Mobile Application and Web Portal

The purpose of this RFP is to select a water-focused customer portal that will replace the <https://mycitizenservices.org> website and provide a single point of access for customers to access specific water-centric functions. CLTWater is requesting proposals from qualified companies for the design, integration, and implementation of a CSS (customer self-service) water-focused self-service portal.
