

Charlotte Department of Transportation / General Services

# **Driver Feedback Sign Services**

This contract will install, maintain, and remove/relocate CDOT's inventory of portable Driver Feedback Signs. These battery-powered radar signs are deployed throughout the city on corridors that are selected by the CDOT Traffic Safety Section for up to six weeks per location. The selected contractor will be responsible for installing the signs in certain locations directed by CDOT, routinely checking the areas they are installed in to ensure they are properly functioning, and once the deployment time has ended for a selected area, removing the signs to be redeployed in another location.
