

Charlotte Area Transit System / General Services

## **E-Builder Management Services**

Charlotte Area Transit System (CATS) is looking to execute a management services contract in order to enhance the use of e-Builder software for project management and controls of capital projects. The consultant would work with the project controls and e-Builder administration staff to create a detailed scope of services and subsequently manage the scope of work laid out in the contract upon its execution. The scope of work is to include the following assumptions: 1.) Creation of a report process that will provide a snapshot of capital projects, 2.) Enhancements to existing processes, 3.) Help with integration of e-Builder and new ERP application "Workday"; and 4.) Miscellaneous technical support. PSR # 1728

## **Details**
