

Charlotte Water / Construction

Elevated Water Storage Tanks (Cancelled)

This project consists of constructing two new elevated storage tanks. The first tank will be called the Woodlawn Tank with a size of 3 MG (million gallons). The second tank will be called the Sunset Tank with a size of 2 MG (million gallons). There will be waterline work associated to extend the mainlines to the tank site. The construction site will require grading and clearing in preparation of the tank installation.
