Charlotte Storm Water Services / Construction

Elvis Storm Drainage Improvement Project

This project consists of two culverts in series under Cedarbrook Drive and Denbur Drive. Both culvert crossings consist of triple barrel corrugated metal pipe systems. This is a project that was identified by the asset management team and both culvert crossings are actively failing, and preliminary calculations show that the culverts are also undersized.

Details

Posting Number 2026-Q1(Jan-Mar)-CSWS-5447
Anticipated Posting Date 2026-03-15
Commodity Code(s): 74505, 91200, 91244, 91345, 91430, 92912, 92915, 96884, 98814
