Emergency Snow and Ice Removal Services

This project includes snow removal and/or barricading services by either plowing, sweeping, shoveling, or any combination as may be required to provide safe, clear, and unobstructed foot and vehicle travel at city maintained facilities including, but not limited, to parking lots, parking decks, driveways, sidewalks, stairways, and, in some instances, building entrances. The selected Company will provide snow removal services on an on-call, as-needed basis. Work will be performed in response to requests made by the City's Project Manager. All services will require advance authorization. The selected company will provide all personnel, equipment, tools, supplies, supervision, and any other items necessary to perform snow removal services. Rental equipment and subcontracting of portions of the work without specific prior authorization will not be accepted.
