Charlotte Water / Construction

### Field Operations Pipeline Rehabilitation Construction- CANCELLED

This bid package is a collection of projects to increase potable water system reliability and replace aging infrastructure. Work consists of approximately 15,000 linear feet of potable water line construction for 2, 6, 8-inch pipe, and associated repair or replacement of asphalt pavement, concrete sidewalk, curb ramps, curb & gutter, and minor lawn/landscape restoration, primarily within CDOT and NCDOT right-of-way. Cancelled as of 10/21/2024
