Field Operations Pipeline Rehabilitation Construction - cancelled

This bid package is a collection of projects to increase potable water system reliability and replace aging infrastructure. Work consists of approximately 15,000 linear feet of potable water line construction for 2-, 6-, and 8-inch pipe, and associated repair or replacement of asphalt pavement, concrete sidewalk, curb ramps, curb & gutter, and minor lawn/landscape restoration, primarily within CDOT and NCDOT right-of-way. this opportunity was archived earlier
