Charlotte Water / General Services

### Field Surveying Services (Geographic Information Systems Group and Capacity Assurance Program)

This opportunity involves providing survey services to support Charlotte Water's GIS and Capacity Assurance Programs, including the following tasks:

- Review available data and consult with the city to clarify and define the city's requirements.
- Obtain necessary information, conduct investigations, and make reasonable efforts for the Surveyor to become familiar with the philosophy and purpose of each project.
- Identify and analyze requirements from governmental authorities with jurisdiction and assist the city in obtaining the required approvals.
