

Charlotte Fire Department / Commodities & Goods

# **Firefighting Hoses and Nozzles**

The Charlotte Fire Department is requesting a new solicitation for Snap-Tite brand fire hose and Akron brand nozzles. These hose and nozzle combinations are replaced on average every 10-years, consistent with the apparatus replacement cycle. All materials must meet the minimum requirements of the National Fire Protection Association (NFPA). The Fire Department will only accept hose that is manufactured, coupled and tested in the U.S.A.
