

#### Charlotte Water / Construction

# Fiscal Year 2024 Small Diameter Water and Sewer Services Contract #2

This contract is for the continuous installation of small water and sewer services, as needed, for commercial or residential purposes using pipes with a diameter of less than one and a half inches. Charlotte Water installed about 1,800 new residential water and sewer taps in the last 12 months. This contract will help meet the demand for these kinds of service connections for the next two years.
