

## / Opportunities

Department of General Services / General Services

### Fleet Towing Services

The city's Fleet Management division provides maintenance services for vehicles and special equipment for city departments and Mecklenburg County. Towing services are needed to transport and recover disabled vehicles and special equipment, provide support to the city as needed during inclement weather, and assist during special events. Services will be provided for various types of vehicles and equipment, including, but not limited to: sedans, SUVs, medium - and heavy-duty trucks, fire apparatus, police cars, and construction equipment.
