Charlotte Water / Construction

### FY23 Small Diameter Water/Sewer Service Contract #2 (Re-bid)

This contract is for water and sanitary sewer service installations including connection to the existing public main, which extends a small diameter line to the property. Additionally, a water meter box or sanitary sewer cleanout is included. Customers pay connection fees for the installation service, which is based on costs incurred by Charlotte Water in these contracts. The work covered by this contract will provide approximately 800 total services.
