Charlotte Water / Construction

FY26 Water and Sewer Repairs -- CANCELLED

This Project includes the repair of water and sewer main lines and service lines throughout the Charlotte Water service area. The work under this contract will supplement the City's workforce in making both routine repairs and more urgent repairs when damage is done by other parties. Work may include either water or sewer lines, any depth or any size. Because of the unknown scope of each repair, this is a Time and Materials contract.
