Charlotte Department of Transportation / Construction

Guardrail Installation & Repairs

This contract is for GUARDRAIL INSTALLATION & REPAIRS ON VARIOUS ROADS, AS NEEDED, UPON REQUEST IN THE CITY OF CHARLOTTE. The Engineer and or designee will designate maintenance and repair of guardrail at various locations in the city. The maintenance and repair of guardrail throughout the city will vary on the amount of existing or damaged guardrail on each route and should take this into consideration when submitting the bid. During maintenance and/or repair of damaged sections of guardrail, the contractor shall replace all needed components of guardrail as directed by the Engineer and stabilize existing guardrail and appurtenances at the site. All work and materials shall be in accordance with the provisions of the General Guidelines of this contract, the Project Special Provisions, the North Carolina Department of Transportation Standard Specifications for Roads and Structures, January 2024, the North Carolina Department of Transportation Roadway Standard Drawings, January 2024, and the current edition of the Manual of Uniform Traffic Control Devices (MUTCD).
