Charlotte Area Transit System / Construction

Hambright Park and Ride Construction Project

The Charlotte Area Transit System (CATS) anticipates contracting out the construction of the Hambright Park & Ride. The proposed Hambright Park and Ride will be an approximately 460 parking space mobility hub to provide rapid transit services to the Town of Huntersville, NC and surrounding areas by utilizing the newly constructed express lane direct connect. The project will also include a new public street to access the site, driver comfort station (driver restroom facilities), internal pedestrian circulation, provisions for a mobility hub for micro-mobility options and/or shared ride services, site security and surveillance, and sustainability components. PSR # 1883
