Heavy Truck Vocational Body Maintenance and Repair Services

The City is seeking a qualified equipment dealer and service provider to work with the Fleet Management Division in supporting the City's fleet of vocational trucks of various makes and model years. Services include, but are not limited to, repair, replacement, maintenance, diagnostics, warranty work, and related technical support for heavy vocational truck bodies within GVWR Classes 5 through 8. The selected Company (or Companies) will provide complete service, maintenance, and repair for all vocational truck bodies and related systems operated by the City, without exception. These include, but are not limited to, jetting trucks and trailers, truck-mounted service bodies, cranes, bucket trucks, hot patch units, combination sewer trucks, catch basin cleaners, and concrete mixers.
