Humidification System Services

The City of Charlotte maintains high-profile cultural centers containing timeless pieces of artwork. The conditions at each location must preserve and protect the artwork therein. Central to this effort is the maintenance of the humidification control systems and water treatment equipment. This solicitation seeks out qualified companies that have a strong track record of maintaining complex humidification control systems and water treatment equipment. The selected company will maintain and service the city's existing systems and equipment at the following locations: *The Bechtler Museum of Modern Art (420 S Tryon St, Charlotte, NC 28202) *The Mint Museum (500 S Tryon St, Charlotte, NC 28202) *The Harvey B. Gantt Center (551 S Tryon St, Charlotte, NC 28202) The selected company must provide 24-hour callbacks, and an on-site response time of no more than two hours (including weekends) at no additional charge.
