Charlotte Water / General Services

HVAC System Services

The Company shall provide inspections, preventative maintenance, and repair services for HVAC systems to Charlotte Water. Services shall be comprehensive of all tasks necessary to ensure HVAC systems maintain operational status at their established capacity and efficiency. Unless otherwise specified herein or by Charlotte Water in writing, Original Equipment Manufacturer (OEM) standards shall be followed, including reference to capacity and efficiency ratings. Charlotte Water has several different types and sizes of HVAC systems located throughout Mecklenburg County. Charlotte Water may award to multiple companies to fulfill all needs.
