

Charlotte Area Transit System / General Services

Hybrid Bus Repair RFP

CATS OVERVIEW:The CATS BOD currently operates two stand alone bus maintenance facilities. These facilities operate 24 hours a day, 7 days a week, 365 days a year, running a total of 11,682,341 miles per year. Each facility has specific vehicle types assigned to it. Types of bus routes include, regional commuter service, circulator service, fixed route transit as well as on demand service. At present, there are 304 buses with either Allison H40/ 50 EP Hybrid Drive Systems or Allison Hydraulic Transmissions.

CATS is searching for a vendor to repair these hybrid buses since CATS does not have the capability to fix them.
