Insurance Brokerage Services

The City requires a qualified insurance brokerage firm to perform Services for the City of Charlotte. Through an inter-local agreement, the City's Office of Risk Management provides property and casualty risk management services to: the City of Charlotte, Mecklenburg County, the Charlotte-Mecklenburg Board of Education, the Public Library of Charlotte and Mecklenburg County (PLCMC), MEDIC, and the Charlotte Regional Visitors Authority (CRVA). Collectively, these organizations are known herein as the Entities. The Company shall perform work and services on assignments related to supporting the Entities in their risk management and insurance needs. Services include market analysis, coverage recommendations and placements, consulting services, and other related services.
